Reasons for defeat in Hockey

†2788. SHRI SHREEGOPAL VYAS:
SHRI RUDRA NARAYAN PANY:

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) whether Government has conducted any investigation to find out the cause of defeat in hockey;

(b) the details of incentives given to hockey during the last ten years alongwith financial allocations made to this sport; and

(c) the steps proposed to be taken to win the matches in future?

THE MINISTER OF STATE OF THE MINISTRY OF YOUTH AFFAIRS AND SPORTS . (DR. M.S. GILL): (a) to (c) The primary responsibility for the development of various sports disciplines, vests in the National Sports Federations (NSFs). The Government supplements the efforts of recognized National Sports Federations (NSFs), for the promotion of excellence in sports, including hockey. Apart from providing support for holding national coaching camps through the Sports Authority of India (SAI), the Government also provides assistance, for the participation of national teams in training, and competitions within and outside the country, and the engagement of high performing coaches. Specifically in hockey, the Government has engaged, a high performance foreign expert, as Technical Adviser, to provide technical support to the national men and women teams, as also junior national teams. In addition to this, talented sportspersons in the age group of 14-21, are trained under various schemes of SAI, in SAI Training Centres, and SAI Special Area Games Centres, a large number of which have hockey among the disciplines in which training is imparted.

The financial assistance provided to Men and Women Hockey federations during the last ten years under the Scheme of Assistance to National Sports Federations' is as under:

(Rupees in Lakh)

	1999-2000	2000-01	2001-02	2002-03	2003-04	2004-05	2005-06	2006-07	2007-08

Lack of equipment of sports

†2789. SHRI LALIT KISHORE CHATURVEDI: Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) whether Government is aware of the fact that there is a lack of suitable material and equipment in order to prepare sportspersons for world level competitions;

(b) whether despite raising demands for standard archies, bullets and shuttlecocks for archery, shooting and badminton events, the required material is not being provided; and

(c) by when it would be provided?

THE MINISTER OF STATE OF THE MINISTRY OF YOUTH AFFAIRS AND SPORTS (DR. M.S. GILL): (a) to (c) While there have been no complaints from National Sports

†Original notice of the question was received in Hindi.

Federatfons (NSFs), as a whole regarding any shortage of training equipment in general, a few Federations have reported shortage of consumables, for the training of sportspersons. Specific complaints were received from the National Rifle Association of India (NRAI), and the Badminton Association of India (BAI), regarding the shortage of ammunition and shuttle cocks, respectively. No complaint has been received, regarding the shortage of equipment in archery.

This matter was duly examined in the Ministry, and the procurement process has been decentralized with effect from December, 2007, by allowing recognized NSFs, to procure consumables on their own, following due procedure, on reimbursement basis. The procurement of consumables as per entitlement under the approved Long Term Development Plans (LTDPs), is therefore, the responsibility of the NSFs concerned.

Sports promotion in hilly areas

2790. SHRIMATI VIPLOVE THAKUR: Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

(a) the guidelines fixed by Government to promote sports and nurture talents at the block and village level under Panchayat Yuva Khel and Krida Abhiyan particularly in hilly and rural areas;

(b) whether Government would provide financial assistance under this scheme to the village Nandla in Shimla district of Himachal Pradesh to promote sports as it is a hilly and remote area; and

(c) if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF YOUTH AFFAIRS AND SPORTS (DR. M.S. GILL): (a) to (c) The Government have recently approved the Panchayat Yuva Krida Aur Khel Abhiyan (PYKKA), which provides for the creation of sports infrastructure at grassroots level in all village panchayats and Block panchayats, including those in the State of Himachal Pradesh in a phased manner over a period of ten years. The scheme also provides financial assistance for organizing sports competitions at village, block and district levels.

Under the Scheme, each Village Panchayat and each Block Panchayat, would be given one time seed capital grant of Rs. 1 lakh, and Rs 5 lakh, respectively. The State contribution in this will be 25% for normal States and 10% for Special Category States. In addition, while village panchayats would be given annual equipment acquisition grant, and annual operational grant of Rs. 10,000 and Rs. 12,000 per annum, respectively, block panchayats would be given Rs.20,000 and Rs.24,000, respectively. Each block panchayat, would also be provided annual competition grant of Rs. 50,000, for holding block level competitions, and each district will be provided annual competition grant of Rs. 3 lakh, for holding district level competitions. Further, prize money would also be provided to the winners (first three positions), in block level and district level competitions.
